## Welcome from President Glenna Temple

I am delighted to welcome you into the Dominican family and congratulate you on your accomplishments that bring you this exciting moment in your lives.

During this Welcome Weekend, you will learn about the many opportunities Dominican has for you—and I encourage you to take advantage of them. I truly believe in a transformational, Catholic liberal arts education and the wraparound supports for which we are known. I am proud to be a part of this dedicated Dominican community that is ready to support you.

I look forward to getting to know each of you as we begin this fall semester!
